About Us

Operating a successful business from Bengaluru, Karnataka, we, Eon Elevators Private Limited, are a leading name in the industry of mobility solutions and related services. A manufacturer and trader par excellence, our company brings forth a range of safe, reliable and well-designed Elevators for use in all types of buildings and complexes. Along with providing Traction Geared Machine Room Elevator, MRL Passenger Elevator, Passenger Glass Elevator, Hydraulic Home Lift, Residential Glass Elevator, etc., we also present other products like Centre Opening SS Design Door, White Light Customized False Ceiling, Push Button Type Cop And Lop, etc.

We not only respond to client needs for commercial and residential elevators, but also meet their service needs with our Apartment Lift Installation Service, Industrial Elevator Installation Service, etc. Working as a service provider, we ensure equipment and lifts at clients premises are always up and running, safely and reliably.

At Eon Elevators Private Limited, we know how to engage the right people for the right job. This is the reason we excel in offering both products and services, complementing client needs. We all work to continuously deliver maximum value to our clients via our Industrial Elevator Installation Service, Home Lift Cabin, Apartment Lift Installation Service, Hydraulic Elevators, Stretcher Lift, Italian Lift, Electric Lifts, etc. Our true differentiator is the way we design products at our purpose-built plant in Bengaluru, Karnataka, India, with matchless precision. Led by a talented production team, we not only construct innovative and robust products here but also build premium quality products that can be sold at affordable rates. We also make sure our employees are trained and given the right guidance at all times.
